Monthly meetings are held at noon at various chamber member restaurants on the second Wednesday of each month. Monthly minutes from the meetings are emailed or mailed to all members with the current news, events calendar and schedule for next month's meeting. The minutes are also uploaded on our website (News) for easy reference and our events calendar is kept current with all chamber sponsored activities. New members are immediately placed on the website's directory of membership with a link to your website as well as on Facebook with a link to both the Chamber and your own website. A hard copy directory of membership is also printed twice annually and delivered to 9,000 households via the Pennysaver – all this at no extra cost to our members! **We invite you to join us for the new membership year. Invite a friend to join with you!**
